Dear Friends of Rhoda Wise,

We may be on the threshold of something BIG!!

At our December meeting with Monsignor Michael Cariglio, we were told that it is time to find a canon lawyer who specializes in canonizations for Rhoda Wise!!! We are looking and we are coming to you with an appeal to cover the expenses we will need for a canon lawyer (and a few smaller needs).

We need to raise \$20,000!

If 20 people give \$1,000, our need will be met.

If 40 people give \$500, our need will be met.

If 80 people give \$250, our need will be met.

If 100 people give \$200, our need will be met.

If 200 people give \$100, our need will be met.

If everyone who receives this mailing gives \$25 our need will be met.

Won't you help us in the way that is possible for you? We are soooooo close to a real turning point for Rhoda Wise. PLEASE keep this intention in your prayers.

Watch our Facebook page (RhodaWiseHome) and www.rhodawise.com for updates. **When we have news we can share, it will be there!**

With prayerful gratitude,

Karen Sigler, President
